Provision Type:

Childminder

Registered Childminder

Description:

My normal working hours would be 7.30am to 5.30pm. I am happy to work out of hours, overnight and weekends (24/7, shift work, school pick-ups, school holidays). I can arrange full time and part time contracts, teacher training day cover, school holidays only contracts and also before and after school care. I am flexible to your needs and will discuss any arrangements specific to your needs. I ran my own business for over 10 years and employed between 15 and up to 100 staff. I now attend regular training days linked to fostering and the school governor work that I do. This training includes coping with teenagers, safeguarding children and up to date legislation related to children. I have completed food hygiene courses and have an up to date first aid (including paediatrics) qualification. I have the relevant required childminder course.

I ensure children have a wide range of activities to encourage plenty of learning whilst having fun.
