

Service summary

Epilepsy Outlook

Epilepsy Outlook provides free confidential practical support, advice and information to people with epilepsy, to help them face lifestyle changes for them and their loved ones.

Advice is available, ranging from such things as how to record seizures to coping mechanisms and benefits advice. We have a drop in service for people with uncontrolled Epilepsy on a Monday from 12.00 - 4.00pm.

We offer Epilepsy Awareness Training for community groups, health and care professionals and local businesses.

Our clients can then be directed to relevant organisations if required - and can be supported at such appointments.

It's all available after one informal one to one chat.

We offer free and confidential support, advice and information to those with epilepsy their families and carers - raising awareness and management of the condition.
